

J. F. Luterek Pr.Eng, B.Eng, B.Proc

mail@patentattorney.za.com

J F Luterek is an admitted attorney of the High Court of South Africa, a patent attorney and a registered professional engineer and has passed the Australian Institute of Patent and Trademark Agents patent drafting examinations. He is also a member of several professional, industrial and legal societies including FICPI, AIPPI, SAIPL, ECSA, and AIChE and serves on several intellectual property law committees in his professional capacity. Before joining the profession, he spent several years in industry and has a wide range of industrial experience.

Presently he drafts and files both local and foreign patent applications in a number of fields including computer software, pharmaceutical inventions, chemical engineering, mechanical devices, and the like.

If required, other intellectual property related services such as patent searches, infringement and novelty opinions, trade mark searches and filings, as well as copyright and registered design applications can be arranged.
